for twenty-four sustaining instruments

for twenty-four sustaining instruments

each section represents two minutes of time (there are twelve sections; the piece is twenty-four minutes long)

in each horizontal line, there is a section (represented by two minutes of time), a pitch, and a duration in seconds

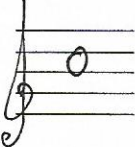

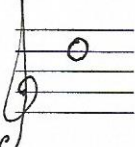

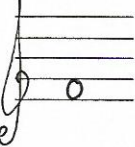

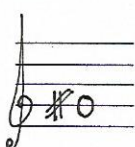

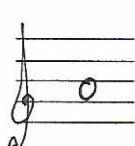

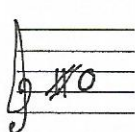

itches can be played in any range chosen by the performer, however it is encouraged that the full range of the performer's instrument is explored throughout the piece

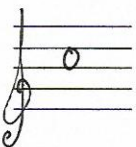

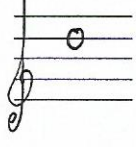

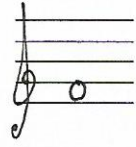

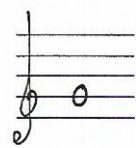

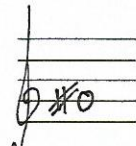

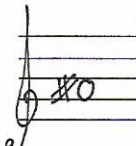

each pitch can be played anywhere within the two minutes it is assigned to, but can only be played once

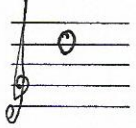

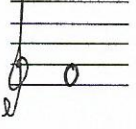

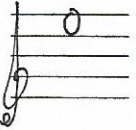

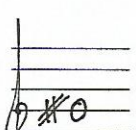

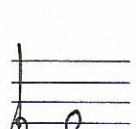

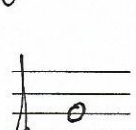

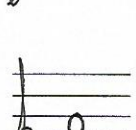

each pitch must be held for exactly the duration it has been given

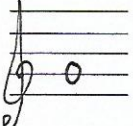

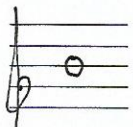

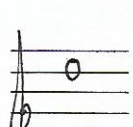

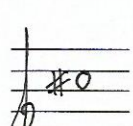

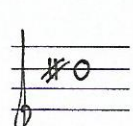

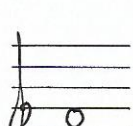

all tones must be very quiet; bordering silence

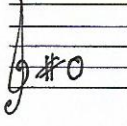

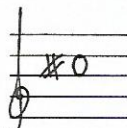

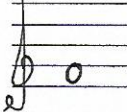

a stopwatch is required for each player
